1.0 General

1.1 Definitions

Applicant	: Person who submits an application to IPSR to be considered for admission in UTAR's postgraduate programme
BOE	: Board of Examiners
Candidate	: Student who has registered and is in the process of preparing or conducting his/her research work.
Candidature	: Status of a registered student
CGPA	: Cumulative Grade Point Average
Coursework programme	: Postgraduate programme with a research component of less than fifty (50) percent
FBO	: Faculty Board
FRDPC	: Faculty R&D and Postgraduate Committee
FGO	: Faculty General Office
MUET	: Malaysian University English Test
Mixed Mode programme	: Postgraduate programme with at least a fifty (50) percent research component
HoP	: Head of Programme
IELTS	: International English Language Testing System
IPSR	: Institute of Postgraduate Studies and Research.
LoA	: Leave of Absence refers to a period during which a candidate has been granted permission to temporarily suspend his/her studies.
PSC	: Postgraduate Studies Committee
PD	: Proposal Defence
Research programme	: Postgraduate programme where candidates are required to contribute to original research in a research environment.
Senate	: The highest authority on academic matters in the University.
SoP	: Standard Operating Procedure
TOEFL	: Test of English as A Foreign Language
Viva voce	: An oral examination in which the examiners assess the candidate's research work
WCS	: Work Completion Seminar
WBLE	: Web Based Learning Environment

1.2 Postgraduate Administrative Structure

2.0 Master's and Ph.D. Programmes

2.1 Postgraduate Programmes and Mode of Study

The UTAR offers postgraduate programmes for both Master's and PhD degrees:

Programme	Structure	Mode of study	Campus
Institute of Chinese Studies			
Master of Chinese Studies	by Mixed Mode	Full Time Part Time	Sungai Long Campus
Master of Arts (Chinese Studies)	by Research	Full Time Part Time	Sungai Long Campus
Doctor of Philosophy (Chinese Studies)	by Research by Published work	Full Time Part Time	Sungai Long Campus
Lee Kong Chian Faculty of Engineering and Science			
Master of Information Systems	by Coursework	Full Time Part Time	Sungai Long Campus
Master of Mathematics	by Coursework	Full Time Part Time	Sungai Long Campus
Master of Engineering (Electrical)	by Coursework	Full Time Part Time	Sungai Long Campus
Master of Engineering (Mechanical)	by Coursework	Full Time Part Time	Sungai Long Campus
Master of Engineering (Electronic Systems)	by Coursework	Full Time Part Time	Sungai Long Campus
Master of Project Management	by Coursework	Full Time Part Time	Sungai Long Campus
Master of Architecture	by Coursework	Full Time	Sungai Long Campus
Master of Science	by Research	Full Time Part Time	Sungai Long Campus
Master of Engineering Science	by Research	Full Time Part Time	Sungai Long Campus
Doctor of Philosophy (Science)	by Research by Published work	Full Time Part Time	Sungai Long Campus
Doctor of Philosophy (Engineering)	by Research by Published work	Full Time Part Time	Sungai Long Campus
Faculty of Creative Industries			
Master of Communication	by Mixed Mode	Full Time Part Time	Sungai Long Campus
Master of Arts (Communication)	by Research	Full Time Part Time	Sungai Long Campus
Faculty of Accountancy and Management			
Master of Business Administration	by Coursework	Full Time Part Time	Sungai Long Campus
Master of Business Administration (Corporate Governance)	by Coursework	Full Time Part Time	Sungai Long Campus
Master of Business Administration (Building Management)	by Coursework	Full Time Part Time	Sungai Long Campus
Master of Philosophy	by Research	Full Time Part Time	Sungai Long Campus
Doctor of Philosophy	by Research	Full Time

		Part Time	
Doctor of Philosophy (Computer Science)	by Research	Full Time	Kampar Campus
		Part Time	
Faculty of Arts and Social			
Master of Philosophy (Social Science)	by Research	Full Time	Kampar Campus
		Part Time	
Master of Psychology (Industrial Organisational Psychology)	by Mixed Mode	Full Time	Kampar Campus
		Part Time	
Doctor of Philosophy(Social Science)	by Research by Published work	Full Time	Kampar Campus
		Part Time	

2.2 Duration of Study

Duration of Study for candidate:

Programmes	Full-time		Part-time	
	Min/Normal	Max	Min/Normal	Max
Master's by Research	2	4	3	6
Master's by Mixed Mode	1.5	4	2	6
Master's by Coursework	1	4	2	6
PhD by Research	3	6	4	8
	Min		Max	
PhD by Published Work	12		24	

3.0 Admission

3.1 Entry Requirement

To be admitted into UTAR Master's or PhD programme, applicant should meet the following requirement:

Structure	Entry Requirements
Master Programme by Coursework	(a) a Bachelor's Degree with Honours and CGPA of 2.75 and above or a Bachelor's Degree with CGPA of 2.75 and above in a related field from UTAR; or (b) a Bachelor's Degree with Honours and CGPA of 2.50 and above but less than 2.75 or a Bachelor's Degree with CGPA of 2.50 and above but less than 2.75 in a related field from UTAR and subjected to rigorous internal assessment; or (c) a Bachelor's Degree with Honours and CGPA of 2.00 and above but less than 2.50 or a Bachelor's Degree with CGPA of 2.00 and above but less than 2.50 in a related field from UTAR, show evidence of at least five (5) years of relevant working experience and subjected to rigorous internal assessment; or (d) (any other academic qualifications equivalent to (a), (b) or (c) from another recognised University as approved by the Senate
Master Programme by Mixed Mode	(a) a Bachelor's Degree with Honours and CGPA of 2.75 and above or a Bachelor's Degree with CGPA of 2.75 and above in a related field from UTAR, or (b) a Bachelor's Degree with Honours and CGPA of 2.50 and above but less than 2.75 or a Bachelor's Degree with CGPA of 2.50 and above but less than 2.75 in a related field from UTAR and subjected to rigorous assessment; or (c) a Bachelor's Degree with Honours and CGPA of 2.00 and above but less than 2.50 or a Bachelor's Degree with CGPA of 2.00 and above but less than 2.50 in a related field from UTAR, show evidence of at least five (5) years of relevant

	working or research experience and subjected to rigorous assessment; or (d) any other academic qualifications equivalent to (a), (b) or (c) from another recognised University, as approved by the Senate
Master Programme by Mixed Mode Master of Psychology (Industrial Organisational Psychology)	(a) A Bachelor's Degree in Psychology or its equivalent with minimum CGPA 2.75 out of 4.00; or Note: A Bachelor's Degree in Psychology not meeting CGPA of 2.75 (but not lower than 2.5) can be accepted subject to rigorous internal assessment by an independent review panel. (b) A Bachelor's Degree with minimum CGPA 2.75 out of 4.00 in any field, and a minimum 45 credits of prerequisites modules in Psychology or its equivalent (covering all eight Knowledge Areas highlighted in pages 13 – 14 of Programme Standards: Psychology) with a minimum CGPA 2.75 out of 4.00 in the prerequisites modules; or (c) A Bachelor's Degree with minimum CGPA 2.75 out of 4.00 in any field, and a minimum 30 credits of prerequisites modules in Psychology or its equivalent (covering all eight Knowledge Areas highlighted in pages 13 -14 of Programme Standards: Psychology) with a minimum CGPA 2.75 out of 4.00 in the prerequisites modules, and a Graduate Record Examination (GRE) Subject Test (Psychology) with a minimum score of 550; or (d) Other relevant or equivalent qualification
Master by Research	(a) a Bachelor's Degree with Honours and CGPA of 2.75 or a Bachelor's Degree with CGPA of 2.75 and above, in a related field from UTAR; or (b) a Bachelor's Degree with Honours and CGPA of 2.50 and above but less than 2.75 or a Bachelor's Degree with CGPA of 2.50 and above but less than 2.75, in a related field from UTAR and subjected to rigorous assessment; or (c) a Bachelor's Degree with Honours and CGPA of 2.00 and above but less than 2.50 or a Bachelor's Degree with CGPA of 2.00 and above but less than 2.50, in a related field from UTAR, show evidence of at least five (5) years of relevant working or research experience and subjected to rigorous assessment; or (d) any other academic qualifications equivalent to (a), (b) or (c) from another recognised University, as approved by the Senate.
Master by Research Master of Science (Computer Science)	(a) a Bachelor's Degree of Computing or in the area of science and technology or related to computing, with a minimum CGPA of 3.00; or (b) a Bachelor's Degree of Computing or in the area of science and technology or related to computing, with CGPA below 3.00 but above 2.50, can be accepted subject to rigorous internal assessment; or (c) a Bachelor's Degree of Computing or in the area of science and technology or related to computing, with CGPA less than 2.50, with a minimum of 5 years working experience in a relevant field and subjected to rigorous assessment; or

	(d) any other academic qualifications equivalent to (1), (2) or (3) from another recognised University, as approved by the Senate.
Master of Architecture By Coursework	(a) a Bachelor's Degree with Honours and CGPA of 2.75 and above or a Bachelor's Degree with CGPA of 2.75 and above in a related field from UTAR; or (b) a Bachelor's Degree with Honours and CGPA of 2.00 and above but less than 2.75 or a Bachelor's Degree with CGPA of 2.00 and above but less than 2.75 in the relevant field of study from UTAR and subjected to rigorous assessment; or (c) any other qualifications equivalent to (i) and (ii) as recognized by the Senate and Board of Architects Malaysia; and (d) at least six months of post degree Practical Experience in a registered architect's office evidenced in a log book; and (e) a portfolio for submission and assessment
PhD by Research	(a) A Master's Degree from UTAR and shows evidence of adequate related research or work experience to satisfaction of Senate; or (b) A Master's Degree of another university or equivalent qualification from an institution as approved by Senate and shows evidence of adequate related research or work experience to satisfaction of Senate; or (c) Any other qualifications equivalent to (a) or (b) from as approved by the Senate.
PhD by Published Work	(a) a Master's degree from UTAR and shows evidence of adequate (b) related research or work experience to the satisfaction of the Senate; or (c) a Master's degree of another university or equivalent qualification from an institution as approved by the Senate and shows evidence of adequate related research or work experience to the satisfaction of the Senate; or (d) any other qualifications equivalent to (a) or (b) as approved by the Senate.

3.2 Language Requirement

English Language Requirement

In addition to the academic requirements an applicant is also required to possess an English Language certification as stated in the below table.

Programmes	English Language Requirement
Business Programmes	-IELTS 6.0/equivalent
Engineering Programmes	-TOEFL:500 / IELTS :5.0 /equivalent
Computing Programmes	-IELTS: 6.0 /equivalent
Media and Communication Studies Programmes	-TOEFL: 600/ IELTS: 6.0 /equivalent

Notwithstanding the above, English language requirement for programmes not stated in the above table, a candidate is required to possess any one of the following:

- (a) a minimum overall score of 410 - 413 in TOEFL (paper-based) or 34 in TOEFL (internet-based testing);
- (b) a minimum overall band score of 5.0 in IELTS / a minimum of B1 level in Common European Framework of Reference for Languages (CEFR) ;
- (c) a minimum overall score of 160 in Cambridge English Advance (CAE) / a minimum of B2 level in CEFR;
- (d) a minimum overall score of 180 in Cambridge English: Proficiency (CPE) / a minimum of C1 level in CEFR;
- (e) a minimum overall score of 36 in Pearson Test of English (PTE)
- (f) a minimum overall band score of 3 in MUET;

An International applicant who does not fulfil the English Language requirement will be considered for Conditional Offers, whereby the applicant will undergo a Preparatory Course. Applicant should then register and sits for either IELTS, TOEFL or MUET and achieve the score as per programme standard/ UTAR English requirement within 12 months from the date of entry into Malaysia.

If the applicant has obtained the Bachelor's or Master's degree with English as the sole medium of instruction, please provide the letter from the institution's Registrar as supporting document. Senate may, upon the recommendation of the Faculty, exempt a candidate from the English Language requirement if the candidate had obtained the Bachelor's or Master's degree using English as the sole medium of instruction or as one of the media of instruction.

Chinese Language (Only applicable for Chinese Studies programmes)

In addition to the academic requirements and English requirement*, an applicant is also required to possess any one of the following:

- (a) a credit in SPM Chinese Language;
- (b) a credit in "O" level Chinese Language;
- (c) a credit in UEC Chinese Language Examination;
- (d) a pass in STPM Chinese Language;
- (e) minimum grade A (Level 8) in Chinese Proficiency Test: HSK (The Intermediate Certificate);
- (f) minimum level 5 in Test Of Proficiency- Huayu: TOP (Advanced level);
- (g) Level 5 (minimum 210 marks, maximum 300 out of 300 marks) in China's New Hànyǔ Shuǐpíng Kǎoshì (New HSK)/ New Chinese Proficiency Test (from 2010 onwards);
- (h) Level 5 in Test of Chinese as a Foreign Language (TOCFL) (from 2013 onwards);

If the applicant has obtained the Bachelor's or Master's degree with Chinese as the sole medium of instruction, please provide the letter from the institution's Registrar as supporting document

**English language requirement only applicable for International applicant*

3.3 Application Procedure

- (a) Form can be download from IPSR website under “How to Apply” section.
- (b) Fill up and complete the application form. For application by Research, you are required to attach your research proposal together with the application form.
- (c) Get 2 referees to complete your referee forms (Referees shall not be the proposed supervisor for application by Research Programme).
- (d) Prepare a non-refundable processing fee of RM60 (for Malaysian applicant) or RM300/USD100 (for International applicant) in Money/Postal Order/Bank Draft/Banker’s Cheque or Personal Cheque (where drawee bank is in Malaysia) made payable to “Universiti Tunku Abdul Rahman”.
(Please note that payment by cash or Public Bank credit card or Public Bank debit card can be made at Division of Finance counter in any UTAR campus).
- (e) Submit the completed application form, the non-refundable processing fee and all supporting documents as per stated in the form to IPSR Office (for Malaysian Applicant) and to Division of Programme Promotion (for International Applicant)
- (f) OR can be mailed to the below address :

Sg. Long Campus	Kampar Campus
Institute of Postgraduate Studies and Research Universiti Tunku Abdul Rahman Jalan Sungai Long, Bandar Sungai Long, Cheras, 43000 Kajang, Selangor Darul Ehsan, Malaysia.	Institute of Postgraduate Studies and Research Universiti Tunku Abdul Rahman Jalan Universiti, Bandar Barat, 31900 Kampar, Perak, Malaysia.

Other forms for International Application

- Health Examination Report for International Applicant
- No Objection Certificate (NOC) for Sub-Shara Applicant

3.4 Deferment of Admission

To defer registration to later intake/trimester a Candidate is required to submit an official letter addressed to the Director of IPSR (hardcopy or by email) together with justification. The appeal will be considered on a case by case basis. If the candidate fails to register or apply for a deferment of admission within the allowed period, the offer of admission is automatically lapsed.

4.0 Registration

4.1 New Candidate

4.1.1 Checklist for New Student

No	Items that Require Your Attention	Your Action and Duration/ Deadline Given
1	Collecting Offer Letter for Admission and 1 st Student Bill <u>For international student</u> You'll be notified by the Department of International Student Services (DISS).	After receiving notification email from Institute of Postgraduate Studies & Research (IPSR), you can either collect your offer letter within 1 week at IPSR office or request the offer letter to be sent to you.
2	Pay for the 1 st Student Bill at Division of Finance or via e-banking <u>For international student</u> The student bill consists of 2 parts: 1 st bill for administrative fees and 2 nd bill for tuition fees	Make payment before the due date as stated in the Student Bill. <i>(Please inform IPSR officer through email or via phone call after you had made payment)</i>
3	Make appointment for Photo taking for student ID Card with IPSR officer	Within 2 weeks after settling the 1 st student bill. <u>For international student</u> Within 2 weeks after settling the 2 nd student bill. <i>If you're unable to come for the photo taking, you may send a digital passport-sized photo (must be in formal dress code) to IPSR officer for further action</i>
4	Appointment letter of Research Supervisor(s) (For the programme by research only)	You will receive the letter within 1 week after registering as a student (i.e. after settling the 1 st student bill) <u>For international student</u> Within 1 week after settling the 2 nd student bill.
5	Submitting Medical Check-up report to IPSR	Within 1 month after registering as student
6	Add/Drop of Subject/Course Candidate by research and Mixed Mode is requested to refer to QP-IPSR-PSU-004 - Course Registration for Postgraduate Programmes (for New Students)	To add or drop the pre-registered subject(s) as stated in the 1 st student bill, please submit add/drop form <u>within 2 weeks after commencement of new trimester</u> . <i>You may scan the form and email it as attachment to IPSR officer if you're not able to submit it in person.</i> <i>Please take note that you are required to register at least 1 subject in a trimester. Refund for dropped course(s) will be kept in your account for future off-setting)</i>
7	Timetable of Classes for your postgraduate programme	Please view and download from IPSR webpage under info for current student.
8	To access Student portal https://portal.utar.edu.my/loginPage.jsp <u>Username</u> : Student Id without alphabet <u>Password</u> : Your IC with hyphen	You may access within 1 week after registering as a student You may view the following in Student Portal (i) Course structure

	(Refer Section 6.0 in Handbook on Online resources)	(ii) Course syllabi (iii) UTAR Rules & Regulations (iv) Standard Operating Procedures (SoPs) related to Postgraduate Programme, etc If you experienced problem in accessing the portal, please send an email to your IPSR officer for advice/further action
9	To access Library OPAC : http://library.utar.edu.my/ <i>Username : Student Id without alphabet</i> <i>Password : Your IC with hyphen</i>	You may access within 1 week after registering as a student

4.2 Active Candidate

4.2.1 Programme by Research

A full-time candidate shall register and be on campus for the whole duration of the candidature while a part-time candidate shall register and be on campus at least 15 working days a year for the duration of candidature.

A candidate is subject to sub-section above clause unless approval from Senate is obtained to conduct the research in another institution/organization either locally or overseas.

Base on the above statement, a full-time candidates must meet their supervisors at least twice a month until their final submission of Dissertation/Thesis. Supervisors needs to record the meeting log in the [Postgraduate Research Progress Monitoring System](#).

The Main Supervisors will notify IPSR if they are not able to contact the candidate for a month.

While part -time candidates need to meet up with their supervisors at least 15 working days in a year until their final submission of Dissertation/Thesis. Supervisors needs to record the meeting log in the [Postgraduate Research Progress Monitoring System](#)

The Main Supervisors will notify IPSR if they are not able to contact the candidate for three months.

Active candidates are also require to register within TWO (2) weeks before the registration date of each subsequent academic trimester. Should a candidate fail to register after the add/drop period, the candidate's candidature shall be automatically be terminated. See related SoP, "**QP-IPSR-PSU-005-Course Registration for Postgraduate Programmes (for Existing Student)**".

Link to course registration <https://unitreg.utar.edu.my/portal/courseRegStu/login.jsp>

Candidates who have previously registered for Thesis/Dissertation must continuously registered for the same course in every subsequent trimester until completion of study.

Candidate in By Research programmes are not allowed to drop any pre-registered courses. Any of the compulsory courses which cannot be completed within the trimester in which the students enrolled can be carried forward to the following trimester.

4.3.2 Programmes by Mixed Mode and Coursework

Active candidates must register within TWO (2) weeks before the registration date of each subsequent academic year. Should a candidate fail to register after the add/drop period, the candidate's candidature shall be automatically be terminated. See related SoP, **“QP-IPSR-PSU-005 - Course Registration for Postgraduate Programmes (for Existing Student)”**.

Link to course registration <https://unitreg.utar.edu.my/portal/courseRegStu/login.jsp>

4.3 Dissertation for Mixed Mode and Project Registration for Coursework

Candidates are requested to refer to SoP, **“QP-IPSR-PSU-019 - Completion of Project & Submission of Project Report for Examination”** on the process of project registration and research proposal submission.

No candidate with CGPA below 3.000 shall be eligible to register for project unless recommended by the Board of Examiners, duration for completion of research project is the number of trimesters stated in the approved course structure. Student is required to submit his/her project report at the end of the duration for completion of Project. Failure to do so will lead to student being failed in the Project course.

4.4 Application for Course Waiver

For the application for Course waiver the candidate must submit the following

- (a) **“Postgraduate Course Waiver Application”** form,
- (b) Receipt of payment of RM100 per course,
- (c) Academic transcript, and
- (d) Syllabus of course(s) for evaluation.

See related SoP, **QP-IPSR-PSU-013 - Application for Course Waiver in Postgraduate Programmes** to know more on the application flow

Faculty shall assess whether the evaluated course from the awarding institution can be given equivalent standing as the UTAR course. The recommendation from the Faculty will then be considered by PSC and Senate for approval.

4.5 Progress of Studies

Candidate are requested refer to the flow of studies of the programmes they had enrolled

- (a) Progress of Studies by Research (Appendix 1)
- (b) Progress of Studies by Coursework (Appendix 2)
- (c) Progress of Studies by Mixed Mode (Appendix 3)

5.0 Fees

5.1 Payment of Fees

It is the responsibility of a candidate to ensure that payment of fees is settled within the stipulated due date. Scholarship holders or those with sponsorship are responsible to ensure that payment of fees is settled within the due date. Candidate can view their Student bill from Student Portal under “My Billing” (refer section 6.1 of handbook on step by step instruction) Payment of fees can be made:-

- at the Division of Finance, Universiti Tunku Abdul Rahman
- by Bank draft/money order/cheque for the exact amount as stated on the student bill made payable to "Universiti Tunku Abdul Rahman" and sent by mail. Do not remit cash.
- at any Public Bank branch throughout Malaysia
- through Public Bank's e-Banking Service known as PBeBank.com

5.2 Fees Breakdown

Type of Fee	Malaysian (RM)		International (RM)			
	Full-time	Part-time	Full-time		Part-time	
Technical Unit Fee						
Master of Arts (Chinese Studies) / PhD(Chinese Studies)	305 per credit hour		366 per credit hour			
Other Master / PhD Programmes	405 per credit hour		486 per credit hour			
MBA Programmes	493 per credit hour		592 per credit hour			
Research Component Fee : (per year)						
Master's by Research	2,000	1,340	2,400		1,600	
PhD	2,000	1,500	2,400		1,800	
Master's by Mixed Mode	1,000	500	1,200		600	
Other Fees			Master	PhD	Master	PhD
Activity & Services Fee	120 per year		220 per year	320 per year	220 per year	320 per year
Resource Centre Fee	240 per year		550 per year	750 per year	550 per year	750 per year
Exam and Facility Fee	380 per year		380 per year	580 per year	380 per year	580 per year
Insurance Premium	9 per year		-	-	-	-
Registration Fee	200		500	1000	500	1000
Caution Money	200	200	500		1,000	
Administrative Fee	-	-	5,000		5,000	
Thesis/Dissertation Examination (upon submission):						

Master's by Research / by Mixed Mode Programmes	1,500	1,800
PhD Programmes	2,500	3,000
Thesis/Dissertation Re-Examination (upon submission):		
Master's by Research / by Mixed Mode Programmes	1,500	1,800
PhD Programmes	2,500	3,000
Fee for Appeal for Review of Examination Results:		
Review of Examination Results	100 per course	100 per course
Review of Dissertation/Thesis Results	300 per dissertation/thesis	300 per dissertation/thesis
Fee for Appeal Against Termination of Study		
Administrative Fee (non-refundable)	100	100

5.3 Recurring Fees

(a) Master by Coursework

Technical unit fee + Recurring Fee (charged after the minimum period based on course structure) whereby the itemization of recurring fee is as follows:

Recurring Fee	Malaysian (RM)	International (RM)
Activity & Services Fee	100	220
Resource Centre Fee	250	550
Exam and Facility Fee	380	380
Insurance Premium	9	-
Total	759	1,150

(b) Master by Research/Mixed Mode and PhD

Recurring Fee (charged after the normal period and based on course structure) whereby the itemization of recurring fee is as follows:

Recurring Fee	Research				Mixed Mode				PhD			
	Malaysian (RM)		International (RM)		Malaysian (RM)		International (RM)		Malaysian (RM)		International (RM)	
	Full-time	Part-time	Full-time	Part-time	Full-time	Part-time	Full-time	Part-time	Full-time	Part-time	Full-time	Part-time
Research Component Fee	1,000	670	1,200	800	500	250	600	300	1,000	750	1,200	900
Resource Centre Fee	250	250	550	550	250	250	550	550	250	250	750	750
Insurance	9	9	-	-	9	9	-	-	9	9	-	-
Total	1,259	929	1,750	1,350	759	509	1,150	850	1,259	1,009	1,950	1,650

Recurring fees will be refund to the candidate by pro-rated once the candidate (by research/ mixed mode) submitted his/her dissertation/thesis for examination or once the candidate (by coursework) has been approved graduation by Senate.

5.4 Refund of Fees

Where a student withdraws **before the commencement of the trimester**, there will be a 70% refund of tuition fees and full refund on Caution Money upon a written request. For withdrawal **upon the commencement of the trimester**, only the Caution Money will be refunded upon the written request.

Links to the application forms: [Application for Refund of Caution Money](#)

5.5 Late Payment/Reinstatement Fees

A candidate who has been terminated by the University due to non-payment of trimester/semester fees (by 5th day of Week 5 for Short Trimester or 5th day of Week 6 for Long Trimester/Semester from the commencement of each trimester/semester) and applies for reinstatement of study is required to pay the following fees stated in the Reinstatement Bill issued by the Department of Admissions and Credit Evaluation:

- (a) Course fee of the trimester/semester
- (b) Late payment charge of RM10.00 per week
- (c) Reinstatement fee of RM100.00.

5.6 Transfer of Fees

For a candidate who is granted a Leave of Absence, 100% of fees paid would be transferred to the trimester where the student rejoins if the Application for Leave of Absence received before the 5th week of commencement date.

There will be no transfer of fees paid if the application for Leave of Absence is received after 4th week of the commencement date. Fees transferred will not be refunded when the students withdraw from the University.

6.0 Supervision

6.1 Supervisor Appointment

There shall be a Supervisor and a Co-supervisor, who are full-time academic staff of the University and appointed by the Senate, for each candidate for a postgraduate degree by research. The Supervisor and Co-Supervisor shall be practitioners or experts in the field which they are expected to supervise. Upon the recommendation of the Board of the Faculty/Institute, the Senate may appoint an External Consultant/External Co-Supervisor for a candidate for a postgraduate degree by research.

6.3 Supervisor to Candidate Ratio

Discipline	Staff/Student Ratio
Professor	1:10
Associate Professor	1:7
Assistant Professor/Senior Lecturer	1:5
Lecturer	1:3
Adjunct Professor/Adjunct Specialist	1:2

6.4 Supervisor Selection Criteria

Master's Degree by Research and by Mixed Mode

- 1) A supervisor must have a minimum qualification of one level higher than the degree level enrolled in by the candidate i.e. a doctoral degree.
- 2) Where a supervisor is without the required qualification, a supervisor must have at least 5 years' experience:
 - a) in teaching and research; or
 - b) as a co-supervisor.
- 3) The additional criteria are subjected to the approval of the University.

Doctoral Degree by Research

- 1) A supervisor must have a minimum qualification of the equivalent degree level enrolled in by the candidate and at least 2 years' experience:
 - a) in teaching and research; or
 - b) as a co-supervisor.
- 2) Where a supervisor is without the required qualification, extensive experience in research and supervision are additional criteria and are subjected to the approval of the University.

6.5 Change/Addition of Supervisor(s)

If candidate intended to apply for a change or for additional supervisor, the “**Application for change form**” should be filled and submitted to the Faculty from FRDPC&FBO recommendation. The recommendation from the Faculty will then be considered by PSC and Senate for approval.

6.6 Role of Supervisor

The Supervisor shall be responsible for the following:

- (a) ensure that the candidate has relevant information regarding his/her own research and professional plans for the period of the candidate's project;

- (b) meet the candidate at frequent intervals to discuss, assess and guide the progress of the work;
- (c) advise the candidate on the scope and presentation of the thesis/dissertation and on any publication likely to arise from the work;
- (d) assist the candidate in developing standards of achievement that will result in a thesis/dissertation of merit;
- (e) liaise with the University's Institute of Postgraduate Studies and Research;
- (f) keep in regular contact with the Co-Supervisor (if any);
- (g) encourage and facilitate the candidate's participation in conferences where some results of the research may be presented; and
- (h) encourage and assist, where appropriate, the candidate in the publication of his/her research during his/her candidature.
- (i) submit to the Board of the Faculty/Institute a report every six (6) months on the progress of the candidate's research. If at any stage of the research, the progress of the candidate is unsatisfactory, the Supervisor must ensure that corrective measures are taken.

6.7 Absence of Supervisor

In the event of a supervisor being away from the University for more than a trimester/semester, the Dean shall arrange for appropriate arrangements for supervision to be provided during that period.

In the event of the supervisor(s) leaving the employment of the University, the Board of the Faculty/Institute shall appoint a replacement supervisor as soon as possible.

In the event that there is no suitable candidate to be appointed as supervisor, the Dean shall assume the role of the Supervisor in the interim until a suitable Supervisor is appointed and a qualified academic.

7.0 Monitoring and Grading System

7.1 6th monthly Progress Monitoring for by Research, by Published Work and Mixed Mode programmes

- (a) A candidate (by research and by mixed mode) is required to submit Research Progress Report every 6 months (via on-line) at <http://research.utar.edu.my/ipsr/projSystem/login.jsp>
- (b) Supervisor and co-supervisor evaluate research progress of student based on Progress Report submitted by the student
- (c) Faculty BOE considers recommendations from FRDPC, and makes necessary decision.
- (d) Special Senate considers Faculty BOE's decision on student's progress status.
- (e) IPSR issues warning letter to student graded as "unsatisfactory" or did not submit progress report.
- (f) FRDPC convenes meeting between student, Supervisor and Co-supervisor to discuss corrective measures to improve the student's research work
- (g) Student (non-submission case) re-submits progress report via on-line

- (h) Supervisor and co-supervisor (if any) evaluates research progress submitted by student who did not submit previously.
- (i) FRDPC reviews the evaluation report on research progress of student who had re-submitted
- (j) BoE verifies and confirms the progress reports. (Once BoE confirmed the progress report as “satisfactory”, the previous warning given to the student for non-submission will be retracted. However, if BoE confirmed the progress report as “unsatisfactory”, the previous warning given to the student will stay.
- (k) Student continues with study/research work

If a student accumulates 3 consecutive warnings, FRDPC will initiate action to recommend to PSC and Senate to terminate candidature of the student

Candidature should refer to the related SoP: **“QP-IPSR-PSU-006 - Monitoring of Research Progress for Postgraduate Programmes (By Research or Mixed Mode)”**

7.2 Grading System for Mixed Mode and Coursework

For Taught Course, a candidate will be evaluated through two (2) evaluation component as follows:

- (a) Final Examination which is constitute 40% to 60% of the total marks,
- (b) course work which include test, assignment, etc., which shall constitute 40% to 60% of total marks,
- (c) for subject where the evaluation component do not follow the percentage, prior approval of Senate must be obtained.

Scheme of marks and grades applicable to intakes before January 2010:

Grade	Marks	Points	Description
A	80 - 100	4.0000	Excellent
A -	75 - 79	3.6700	Excellent
B +	70 - 74	3.3300	Very Good
B	65 - 69	3.0000	Good
B -	60 - 64	2.6700	Good
C +	55 - 59	2.3300	Satisfactory
C	50 - 54	2.0000	Pass
D	40 - 49	1.0000	Passing
F	0 - 39	0.0000	Fail

Scheme of marks and grades applicable to intakes January 2010 onwards:

Grade	Marks	Points
A +	90 - 100	4.0000
A	80 - 89	4.0000
A -	75 - 79	3.6700
B +	70 - 74	3.3300

B	65 - 69	3.0000
B -	60 - 64	2.6700
C +	55 - 59	2.3300
C	50 - 54	2.0000
F	0 - 49	0.0000

The following codes shall be used to indicate a candidate's status:

Status	Description
S/U	Satisfactory / Unsatisfactory
AU	Audit With Examination
AN	Audit Without Examination
EX	Exempted
BR	Barred
RP	Repeat
AB	Absent
I	Incomplete
P	In Progress
CT	Credit Transfer
W	Withdraw
FL	Fail
PS	Passed
CF	Requirement Fulfilled

For more details, please refer to “**Rules XVI - Examination Rules for Master's Degree By Coursework and Master's Degree By Mixed Mode**”

8.0 Add and Drop, Leave Of Absence, Extension of Candidature And Withdrawal

8.1 Add and Drop of Course

Add/Drop of courses should be done within 2 weeks upon the commencement of each trimester/semester. It shall be a prerequisite for a student to pay the pre-registered trimester/semester fees first before proceeding to add/drop courses, unless it is exempted by the University.

8.2 Withdrawal of Course

Withdrawal of registered course course(s) is allowed up till 2 weeks before the commencement of the Main Examination subject always that the academic load does not fall below the prescribed minimum load for that trimester/semester.

8.3 Leave of Absence

Candidates are required to submit a duly completed “**Application for Leave of Absence Form**” downloadable from Institute of Postgraduate Studies and Research (IPSR) website.

Approval for such applications is not automatic but determined by the University on a case-to-case basis

An application for Leave of Absence must be made **before the end of Week 10 of a Long trimester** or **Week 5 of a Short trimester**.

The maximum duration of Leave of Absence is as follows:

- (a) Master Level (maximum 1 year)
- (b) Doctoral Level (maximum 2 years)

****The Leave of Absence can only be allowed up to a minimum of ONE Trimester.***

8.4 Extension of Candidature

If candidate intended to apply for extension of max candidature, the “**Application for Change Form**” form attached with completion timeline must be submitted **minimum 2 months** before the end of max candidature to faculty for FRDPC and FBO recommendation. The recommendation from the Faculty will then be considered by PSC and Senate for approval. Candidate should refer to the related SoP, “**QP-IPSR-PSU-015 - Application for Extension of Maximum Candidature Period**” to know more on the application flow.

****Late submission will not be considered.***

8.5 Withdrawal of Candidature

Candidate are required to submit a completed “**Notification to Withdraw from the University form**” obtainable from the Department of Admissions and Credit Evaluation (DACE). An official letter from will be issue to the candidate once the withdrawal has been approved.

9.0 Application for Field Trip and Attachment to other institution

9.1 Application for Field Trip

Candidate are required to submit a completed “**FM-IPSR-PSU-027- Application for Field Trip form**” with support from supervisors and attached with the field trip undertaking and indemnity letter and a copy of UTAR SERC approval letter to Head of Programme (HoP), Head of Programme (HoP) will notify the student once the application has been approved by the Deputy Dean (R&D and Postgraduate studies). Candidate should refer to the related SoP, “**QP-IPSR-PSU-021-Application for Field Trip**”

9.2 Attachment to other institution

Candidate are required to submit official request letter with the support from Supervisor(s) attach with the copy of the approval letter/agreement form the foreign/local University/Institution **3 months prior to the attachment** to Faculty FRDPC and FBO recommendation. The recommendation from the Faculty will then be considered by PSC and Senate for approval. Candidate should refer to the related SoP, “**QP-IPSR-PSU-020- Application to Conduct research in Another Institution/University**” to know more on the application flow.

10.0 Change and Conversion

10.1 Change of Title and Area of Research

If candidate intended to apply for change of Research Title before WCS, a request must be made through faculty for FRDPC and FBO recommendation by submitting the “**FM-IPSR-PSU-042 Application for Change Research Area/Research Title**”. The recommendation of the change then should be forwarded to IPSR for noting.

If candidate intended to apply for change of Research Area, it needs to be recommended by FRDPC and FBO. The recommendation from the Faculty will then be considered by PSC and Senate for approval, base on the “**GD-IPSR-PSU-011 Guidelines for Change of Research Area/Research Title**”

10.2 Approval and Change of Dissertation/Thesis Title

Once candidate has submitted his/her intent to submit Dissertation/Thesis, the Faculty (FRDPC and Faculty Board) will recommend to PSC and Senate for it approval for the Dissertation/Thesis title. For thesis title which had been approved by Senate (during Dissertation/Thesis Submission), any change or deviation from it must be informed to PSC and Senate for approval again via FRDPC and Faculty Board.

10.3 Approval and Change of Research Project Title

Below are the steps for the Approval and Change of Research Project title

- (i) Candidate fills up the "Application for Change Form"
- (ii) Submit the form to faculty.
- (iii) FRDPC to make a recommendation of changing title
- (iv) FBO to consider recommendation of FRDPC
- (v) HoP/ FGO to notify the student for the approval/disapproval of changing title
- (vi) FGO to send in agenda paper for PSC& Senate noting.

10.4 Change of Mode of Study

If candidate intended to apply for change of mode of study Full-time to Part-time or vice versa, the “**Application for Change Form**” must be filled and submitted to faculty for FRDPC and FBO recommendation. The recommendation from the Faculty will then be considered by PSC and Senate for approval.

10.5 Conversion from Master’s Degree to PhD Degree Programme

The Senate may, upon the recommendation of the Board of the Faculty/Institute permit a Master’s degree (by research) candidate of the University to be admitted as a candidate for the degree of Doctor of Philosophy during the eligible period, i.e. between six (6) to eighteen (18) months upon registration as a Master’s degree candidate.

Condition for Conversion

CGPA	: 3.67 and above
Eligible Period	: between six (6) to eighteen (18) months
Publication	: Required to have work published or accepted for publication in a peer-reviewed journal, and that the work or paper is related to his Master's project, prior to application for conversion.

Candidate is requested to refer to **“QP-IPSR-PSU-014 - Application for Conversion of Candidature from Master's to PhD for the application process.”**

11.0 Examination

11.1 Eligibility of Entry into Examinations

Candidate under the coursework and by mixed mode should refer to **“Rule XVI Examination Rules for Rules XVI - Examination Rules for Master's Degree By Coursework and Master's Degree By Mixed Mode”** on matter related to examination.

- (1) No candidate shall be eligible to be admitted to the examination:-
 - (a) is officially registered in that course;
 - (b) has paid the tuition fees; and
 - (c) has attained at least 70% attendance at lectures and tutorials classes or the course.
- (2) Every candidate who is eligible to sit for an examination shall be given an authorisation Slip by DEAS as proof of eligibility to sit for the examination

11.1.1. Absence from Examination

Where a candidate has been absent from the examination of any course due to medical (upon submission of a full medical report) or humanitarian reasons, the status of that candidate for that particular course shall be recorded as ‘Incomplete’ (I), and he shall be allowed to sit for the replacement examination for that particular course as the main examination.

Where a candidate has been absent from the examination of any course due to the reasons that are not acceptable to the Board of Examiners, the Board may decide to record the status of the candidate for that particular course as ‘Fail’ (F).

Where a candidate has been absent from the examination of any course without any reason, the Board shall record the status of the candidate for that particular course as ‘Absent (AB)’, which carries zero (0) marks.

Where a candidate is required or allowed to repeat a course, he shall be required to redo the entire course work and examinations for that particular course.

11.1.2 Incomplete Courses

The status of 'Incomplete' (I) may be recorded for an incomplete course if the candidate had attended at least 70% of the module. The candidate shall be allowed a maximum duration of one academic year to convert the status, failing which the status for the course shall be converted to 'F'. The Senate upon the recommendation of the Board of Examiners shall decide on the exact period the assessment should be completed.

11.1.3 Repeat of Course

A candidate who fails the examination for any core course in the third attempt or who has not passed the Project after three (3) attempts within two (2) years from the date of first registration of the course shall be terminated from the programme.

A candidate is not allowed to repeat the same elective course more than 4 times.

The calculation of GPA and CGPA shall be based upon grades obtained at the most recent Repeat sitting. The total number of credit hours for a "repeat" course taken at all examinations attempted shall be calculated only once.

Candidature should refer to the related rule: **“Rule XVI – Examination Rules for Master’s Degree by Coursework and Master’s Degree by Mixed Mode”**

Eligibility for Repeat of Course

- (a) A candidate who has obtained a final grade F/FL for any course after the Main/Replacement Examination; and
- (b) A candidate who wishes to repeat to improve the grade(s) of his course(s) with the permission of the Dean of the respective Faculty/Institute.

11.1.4 Board of Examiners (for Coursework)

There shall be a Board of Examiners for taught courses and Project, appointed by the Senate, for the degree of Master’s Degree by Coursework. The membership of the Board of Examiners shall comprise of the following:

- (a) Dean of Faculty/Institute or his representative as Chairman; and
- (b) All members of the Academic Staff who are involved in teaching the courses and/or supervising the Project

11.1.5 Research Project Submission (for Coursework)

Candidate is required to submit the Research Project at respective faculties. Duration for completion of Project is the number of trimesters stated in the approved course structure.

Candidate is required to submit his/her project report at the end of the duration for completion of Project. Failure to do so will lead to student being failed in the Project course

Candidate who failed in the Project will have to re-take the Project course in the subsequent trimester at their own cost

Candidate is allowed 3 attempts to pass the Project course within 2 years from the date of 1st registration for Project and subject to availability of candidature period.

****Student who failed in the 3rd attempt for Project shall be terminated from the programme***

Examination of Research Project

The examiners for Project shall be appointed by the Senate and shall comprise:

- (a) Supervisor of the Project;
- (b) Co-Supervisor of the Project (if any), and
- (c) an Internal Examiner.

11.2 Proposal Defence

Candidates should adhere to Proposal Defence (PD) timeline; IPSR will not send any reminder on the due dates of 1st, 2nd or 3rd attempts.

	1st attempt	Maximum duration
Master's by Research (Full-time)	within 6 months*	within 12 months*
Master's by Research (Part-time)	within 12 months*	within 18 months*
Master's by Mixed Mode (Full-time)	within 3 months [#]	within 9 months [#]
Master's by Mixed Mode (Part-time)	within 6 months [#]	within 12 months [#]
PhD (Full-time)	within 9 months*	within 18 months*
PhD (Part-time)	within 15 months*	within 24 months*

* from date of registration

[#]from date of registration of dissertation

- (a) Candidate will be graded "Q1" for their proposal defence within their 1st attempt duration.
- (b) Candidate who could not carry out his 1st attempt for proposal defence in the given duration is deemed to have failed his 1st attempt. Candidate will be graded "Q2"
- (c) A candidate shall be given THREE attempts to pass the proposal defence. Should a candidate fail to conduct the proposal defence within the stipulated maximum periods of proposal defence, or cannot pass their PD at the 3rd attempt the candidate is deemed to have failed and shall automatically terminated.

Candidature should refer to the "[**Guidelines on Preparing for Proposal Defence \(PD\)**](#)" and SoP: "**QP-IPSR-PSU-007 - Proposal Defence**" for the full process flow.

11.3 Work Completion Seminar

Upon completion of the course of study and research a candidate shall be required to present his research results in a work completion seminar before he/she is allowed to submit his Dissertation/Thesis for examination. Please refer to “[Guidelines on Preparing for Work Completion Seminar \(WCS\)](#)” and SoP: “**QP-IPSR-PSU-008 - Work Completion Seminar**” for the full process flow.

Candidate should submit “**Intent for Work Completion Seminar form**” together with an abstract/summary of the Dissertation/Thesis.

Abstract/Summary of the Dissertation/Thesis should contain at least the following:

- a) Research Project Title
- b) Objectives
- c) Research Background / Literature Review
- d) Research Methodology
- e) Project Implementation /Results
- f) Research Outcome

11.3.1 Early Submission of Dissertation/Thesis

Upon the recommendation of the Supervisor, through the Faculty/Institute Board, the Senate may allow a candidate to submit his Dissertation/Thesis for examination earlier than the minimum duration.

11.4 Appointment of Examiners

After the Candidate submits the notice of Intent to submit Thesis/Dissertation, the main supervisor nominates Internal and External Examiners and completes the “**Nomination of Internal and External Examiners for Thesis/Dissertation**” form.

Guidelines for nomination

- (i) Internal examiner (at least a PhD holder);
- (ii) External examiner(s) preferably from overseas with at least 5 recent publications in International Journals
 - (a) For Master’s degree dissertation – 1 external examiner who is at least an Associate Professor ;
 - (b) For PhD thesis – 2 external examiners : one must be Professor, another at least an Associate Professor

10.5 Submission for Thesis/Dissertation for Examination

After obtaining a Satisfactory in the WCS the candidate can proceed by submitting his intent to submit the Dissertation/Thesis by giving 3 months’ notice, candidate is requested to refer to the “**QP-IPSR-PSU-009 - Submission of Notice of Intent to Submit Thesis/Dissertation and Nomination of Internal and External Examiners for Thesis/Dissertation Examination**”

Once Senate has approved the Thesis/Dissertation title and appointment of External and Internal examiner, IPSR will notify the candidate to submit the following for examination:

- (a) soft-bound dissertation (5 copies)
- (b) Submission of thesis Dissertation for Examination form
- (c) Turnitin Originality Report - Supervisor's Comments Form

Candidate should refer to the following SoP and Guideline before submission the Dissertation/Thesis for examination

- (a) QP-IPSR-PSU-010 - Submission of Thesis/Dissertation for Examination
- (b) GD-IPSR-PSU-001 UTAR Thesis/Dissertation Guidelines
- (c) GD-IAD-003 Generating Originality Report for Thesis/Dissertation/Project Report Using Turnitin

Non-Submission of thesis/dissertation

If student did not submit thesis/dissertation within 3 months after notification of intent to submit thesis/dissertation, IPSR will send reminders to student as follow:

- At the end of 3rd month from the date of submission of notification of intent to submit thesis/dissertation, send 1st reminder to student to submit within 1 month
- If no respond or submission by the end of 2nd week after 1st reminder, send 2nd reminder to student – reminding student that he/she has 2 more weeks to submit
- If still no respond or submission at the end of 1st week after 2nd reminder, send final reminder to student to submit within 1 week
- At the end of 1 month from the date of 1st reminder, send notification to the student to re-submit the notice of intent to submit thesis/ dissertation form.

11.6 Member of Board of Examiners (Thesis/Dissertation) for by Research and PhD by Published Work

The Board of Examiners for a Master's dissertation shall comprise:

- (a) the Director of Institute of Postgraduate Studies and Research (IPSR) or in his absence, the Director of IPSR's representative, who shall be the Chairman;
- (b) the External Examiner (or his report in lieu of);
- (c) the Internal Examiner;
- (d) a representative of the Senate; and
- (e) a representative of the Faculty/Institute.

The Board of Examiners shall invite the Supervisor / Co-Supervisor(s) / External Co-Supervisor(s) (if appointed) and may invite the Dean of the Faculty/Institute / Head of Department to attend the Board of Examiners meeting as invited members.

11.7 Viva Voce

The viva voce will be scheduled by IPSR as soon as all reports from the External and Internal Examiners have been received. Related SoP and Guidelines to refer:

“QP-IPSR-PSU-012 - BOE & Viva-Voce for Thesis/Dissertation Examination”

“GD-IPSR-PSU-0010-Guidelines on Preparing for Viva-Voce of Thesis/Dissertation Examination”

During the viva voce, the candidate will appear before a BoE which consisting of the following: External Examiner (if applicable), Director of IPSR, Internal Examiners, Senate Representative, Faculty Representative and Supervisors.

11.7.1 Viva voce assessment

The following decisions shall be made on the dissertation/thesis at the conclusion of the viva voce.

- (a) Satisfactory
- (b) Satisfactory. Candidate may be required to attend the 2nd Board of Examiners meeting to clarify revisions made to the dissertation
- (c) Unsatisfactory. Candidate shall be required to repeat the viva voce

If the Board of Examiners is not satisfied that a sufficient standard has been reached in the viva voce, the candidate shall be required to repeat the viva voce. A candidate is allowed a maximum of two (2) attempts to obtain a “satisfactory” grade for his viva voce.

If the Board of Examiners is not satisfied that a sufficient standard has been reached in the dissertation/thesis and “viva voce” (after a maximum of two (2) attempts) for the award of the degree of Masters/ Doctor of Philosophy, the Board shall either:

- (a) report that the candidate has failed; or
- (b) recommend that the candidate be required to pursue a further scheme of work over a period to be specified by the Board of Examiners, at the end of which the candidate may resubmit his dissertation for re-examination.

11.7.2 Dissertation/ Thesis Assessment

RECOMMENDATION	RECOMMENDATION GUIDELINES
PASSED	The candidate is recommended PASS for the Dissertation/Thesis, if the dissertation– (1) does not require revision or correction; (2) does not require additional experiments, collections of new data or extensive revision

RECOMMENDATION	RECOMMENDATION GUIDELINES
PASSED, subject to minor changes	The candidate is recommended PASS subject to MINOR CHANGES to be made to the dissertation, if the Dissertation/Thesis - (1) Requires minor text editing, formatting of tables and/or figures, corrections of grammar, spelling, or typographical mistakes; (2) Requires additional information and data to overcome minor technical errors that does not require additional work; and/or (3) Requires further explanations on several short sections in the dissertation which does not affect the overall conclusion
RESUBMISSION of dissertation to Board of Examiners, subject to major changes/ corrections	The candidate is required to do MAJOR CORRECTIONS to the Dissertation/Thesis, if the Dissertation/Thesis - (1) Requires major revision on the analysis of data that is not due to errors in the research methodology/approach; (2) Requires major text editing, formatting of tables and/or figures, corrections of grammar, spelling, or typographical mistakes ; and/or (3) Requires further explanations on large body of the sections in the dissertation which does not affect the overall conclusion.
RESUBMISSION of dissertation for re-examination	The candidate is required to undertake further work and submit the thesis for RE-EXAMINATION , if the Dissertation/Thesis – (1) Requires major revision on data analysis that is due to errors in the research methodology/approach; (2) Requires major revision that can be addressed and improved with additional experiments, statistical analysis; and/or (3) Requires further explanations on large body of dissertation which affects the overall conclusion.
FAILED	The candidate has failed if the Dissertation/Thesis – 1. Has substantial weaknesses and below acceptable standards which cannot be addressed even with additional work or corrections; or 2. Has been plagiarised from other work or text.

After the viva, the candidate will be given the information/comments and report for making the necessary corrections and improvements to the dissertation/thesis as directed by the Board of Examination Panel by the Secretary of the BoE meeting. The candidate will be given a specific period to correct and complete the Dissertation/Thesis for the submission of the final revised copies.

11.8 Publication requirement – by Research programme

Before September 2015

Publication Requirement for Graduation	
Master's candidate	PhD candidate
Encouraged to publish in an international refereed journal	Shows proof of acceptance of at least one paper for publication in an international refereed journal.

Candidates registered from September 2015 onwards shall have the following publication requirements:

Publication Requirement for Graduation	
Master's candidate	PhD candidate
Show proof of acceptance of one paper published in refereed journal or refereed conference proceedings	Show proof of acceptance of at least one paper for publication in an international refereed journal.

Candidates are required to consider the University's policy on acceptable journals/publishers before submitting papers for publication. Avoid submitting papers to questionable journals or predatory publishers. Please consult your supervisors on the choice of journals/publishers to publish your articles. If proven that the publications are in questionable journals or predatory publishing, the publications shall not be considered for fulfilment of the publication requirement to graduate

11.9 Graduation

11.9.1 Requirements for Conferment of Degree (by Research)

The Senate shall award the degree upon the recommendation of the BOE once all requirements for Conferment of Degree have been met.

A candidate shall be awarded a Master's degree /Degree of Doctor of Philosophy if he/she has:

- (a) passed all the compulsory modules and the Dissertation/Thesis;
- (b) fulfilled all the requirements of the Laws of the University and paid all the outstanding fees to the University.

11.9.2 Requirements for Conferment of Degree (by Mixed Mode and Coursework)

A candidate shall be awarded the Master's Degree if he has:

- (a) passed all the modules and the Dissertation/Project;
- (b) attained a minimum CGPA of 3.0000 for the programme; and
- (c) fulfilled all the requirements of the Laws of the University and paid all the outstanding fees to the University.

11.9.3 Requirements for Conferment of Degree (PhD by Published Work)

A candidate shall be awarded the Degree of Doctor of Philosophy if he has:

- (a) passed the thesis;
- (b) fulfilled all the requirements of the Laws of the University and paid all the outstanding fees to the University.

12.0 Termination, Appeal and Reinstatement

12.1 Termination of Candidature

The candidature of a candidate shall be terminated for any one of the following reasons:

- (a) Receiving two consecutive probation grade during the duration of his study (for coursework programmes); or on the recommendation of termination from his Supervisory Committee (for research programmes).
- (b) Fails to re-register by the FIFTH (5) week of new academic calendar.
- (c) Violates any rule or regulation as stipulated by the University.

Candidate is requested to refer to **QP-IPSR-PSU-016 - Termination of Candidature of Postgraduate Student due to Poor Academic Achievement**

12.2 Appeal and Reinstatement

12.2.1 Appeal from Termination due to Fees

A candidate who had been terminated due to fees, is requested to refer to “**QP-IPSR-PSU-017 - Appeal for Re-instatement by Terminated Postgraduate Candidate**” on the process to reinstate their candidacy. After the candidature will be reinstate after the following fees stated in the Reinstatement Bill issued by the Department of Admissions and Credit Evaluation has been paid:

- (a) Course fee of the trimester/semester
- (b) Late payment charge of RM10.00 per week
- (c) Reinstatement fee of RM100.00.

Termination due to poor academic and maximum candidature

A candidate, whose candidature has been terminated due poor academic and maximum candidature, may appeal to the President of the University for reinstatement of his candidature. The decision of the President shall be final.

The appeal to the President shall be in writing and submitted to the Director of Institute of Postgraduate Studies and Research together with payment of a prescribed appeal fee within two (2) weeks from the date of receipt of the termination notice or notification of result. Appeals submitted after the lapse of the said period shall not be entertained.

12.2.2 Appeal for Review of Course Examination Results

Review of marks includes a re-evaluation of answer scripts and re-checking of the marks recorded by the Examiners to ensure there are no mistakes in the addition of marks and no part of an answer submitted by a candidate has been omitted.

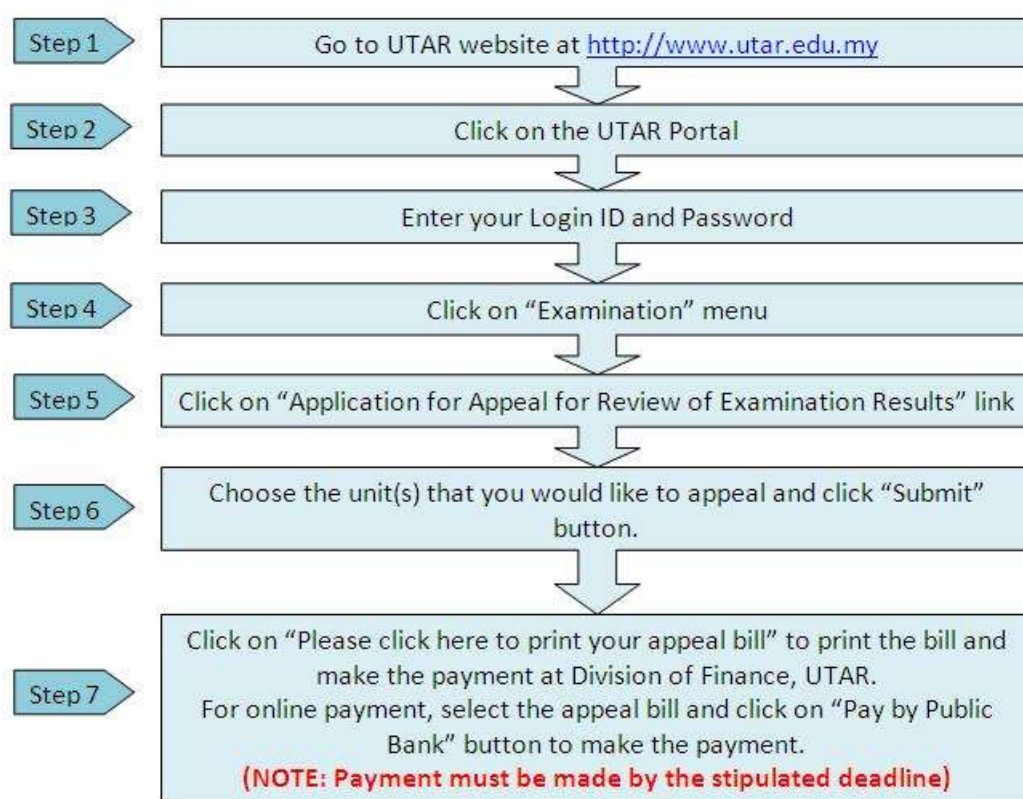

How to appeal for review of examination course(s) results?

A candidate, who may have sufficient reason to believe that he has been unjustly graded or that an error has occurred in the marking of his paper or in the computing of grades, may appeal to the relevant Board of Examiners through DEAS.

Appeal Procedure

Appeals for a review of examination results can be made by submitting the application through UTAR Portal.

The procedure for submission of online application for appeal for review of examination results is as follows:

****Once candidates have submitted their appeal for review of course examination results via On-line and fully paid the fees, neither withdrawal nor refunding of fees will be entertained. The fee for the review of course examination results shall be refunded to the candidate if the appeal is successful. In the event where the appeal is rejected, the fee shall be forfeited.***

- (a) The appeal shall be in writing and submitted to the respective Dean through the DEAS together with payment of a prescribed appeal fee which fee shall only be refunded if the appeal is successful.

- (b) All appeals shall reach DEAS within one (1) week from the date of announcement of the results appealed against. Appeals submitted after the lapse of the said period shall not be entertained.
- (c) The Dean shall, together with the Examiner concerned, review the answer script of the candidate. The Dean may direct that the candidate's answer script be re-examined by a second examiner.
- (d) After the review, if there is a change of mark and/or grade, the change shall be submitted to the Senate, through the Board of Examiners, for approval.

13.0 Intellectual Property

13.1 Plagiarism

As stated in “**Rule XXV- Prohibition of Plagiarism**”, the University views as very serious acts of plagiarism which amounts to academic fraud and blatant or outright dishonesty. Plagiarism shall be deemed as an act of cheating within the ambit of the Examination Regulations.

If the candidate is found guilty of plagiarism and depending upon the severity thereof, the Committee can impose, in addition to or substitution of the penalties stipulated in Section 55 of the Student Code of Conduct Rule, anyone of the following penalties :-

- (a) order the student to re-do or amend parts that were plagiarized;
- (b) deduct marks on the chapter or portion which the student plagiarizes; or
- (c) award a Grade “F” for the course concerned.

13.1.1 Plagiarism Checking

UTAR now subscribes to Turnitin, which is a web-based application that checks for the originality of submitted materials, for the use of academic staff and students. To verify the level of originality of the content in the thesis/dissertation/project report submitted, UTAR now requires every student from postgraduate and undergraduate programmes to submit his thesis/dissertation/project report to Turnitin for originality check before the student formally submits the thesis/dissertation/project report for examination. Candidate are advised to refer to the guideline “**GD-IAD-003 Generating Originality Report for Thesis / Dissertation / Project Report using Turnitin**” to generate the originality report.

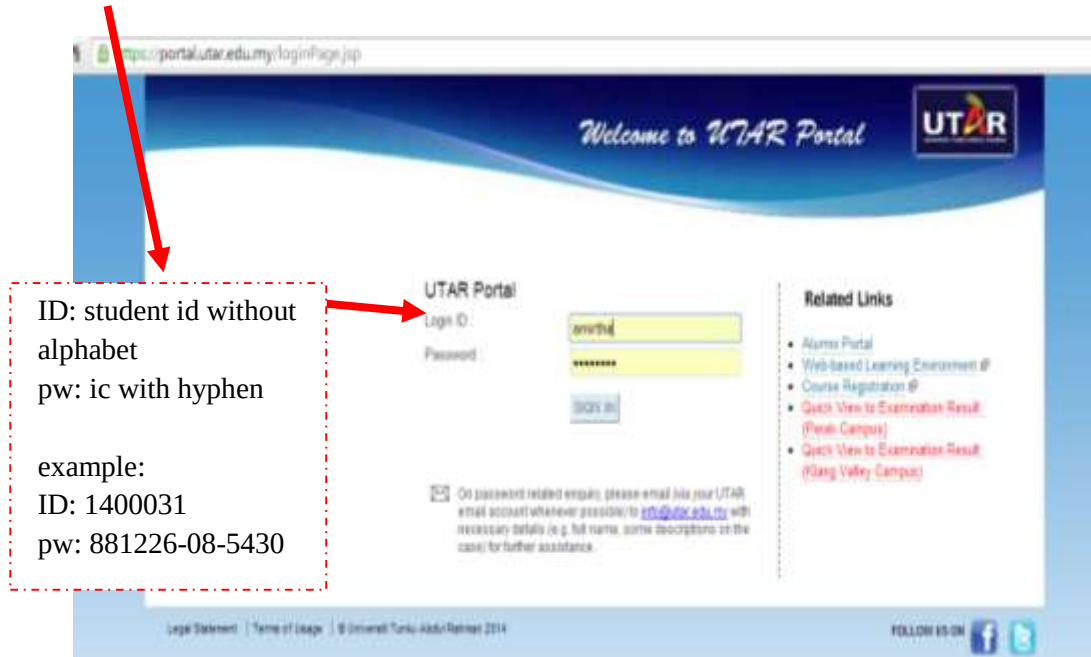

14.0 Online resources

14.1 UTAR Student Portal

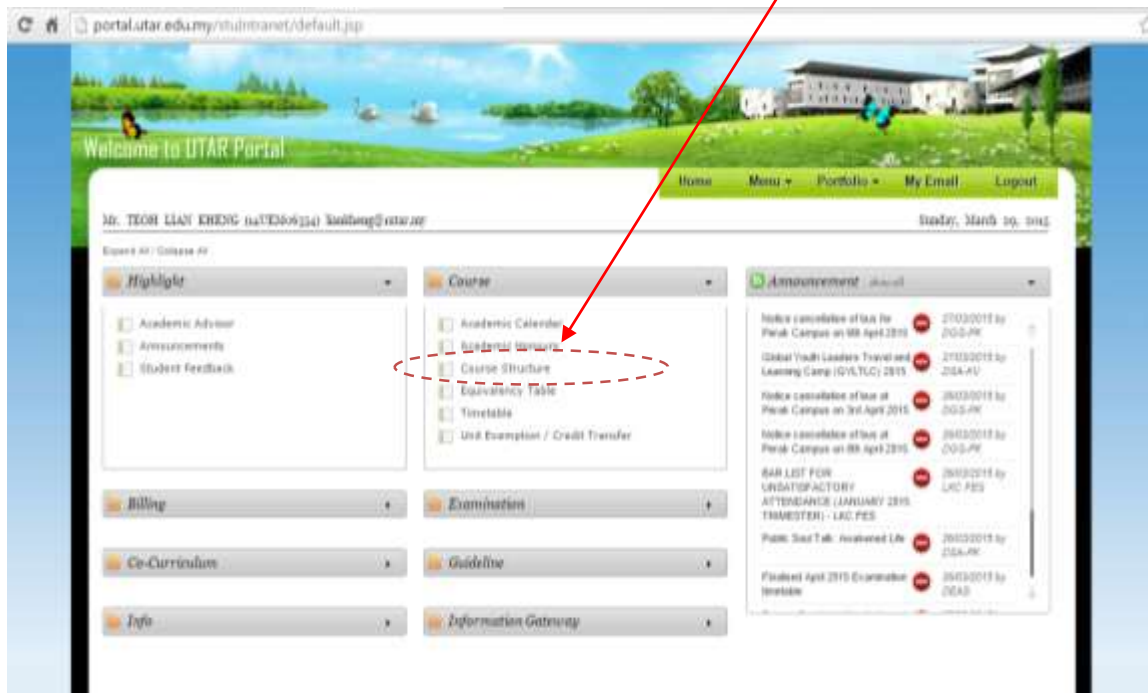

From UTAR main page : www.utar.edu.my select the UTAR Portal icon or from the drop down list under “Student”

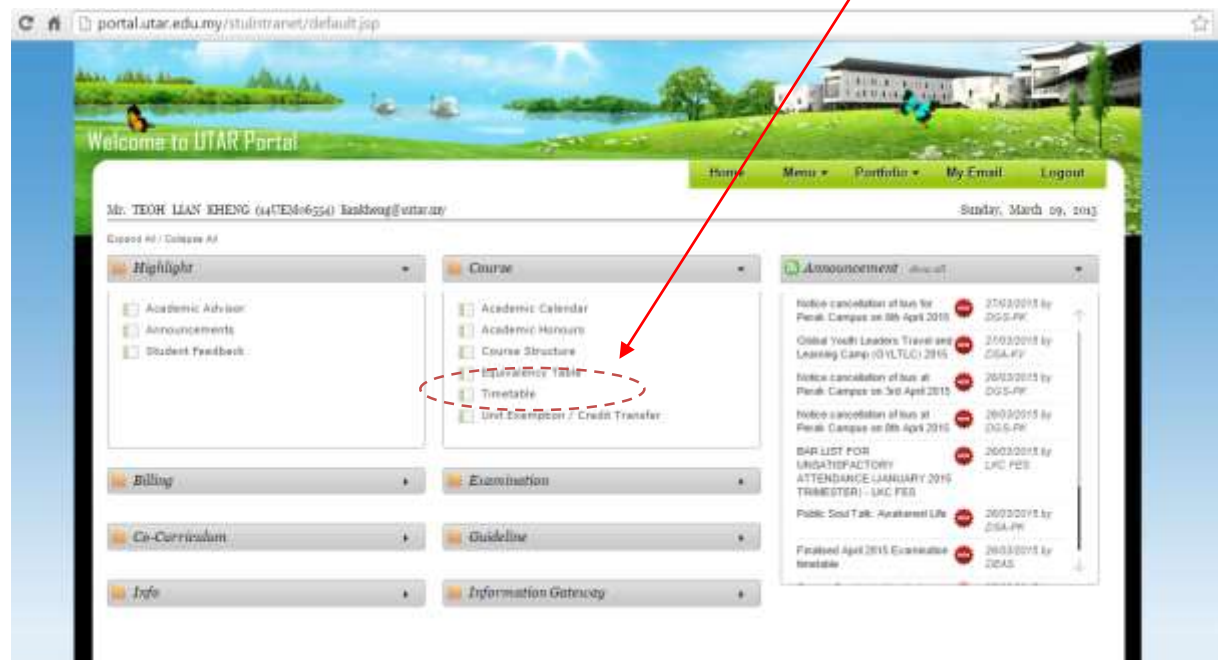

The UTAR Portal window will open in a new window, to login key in your username and password

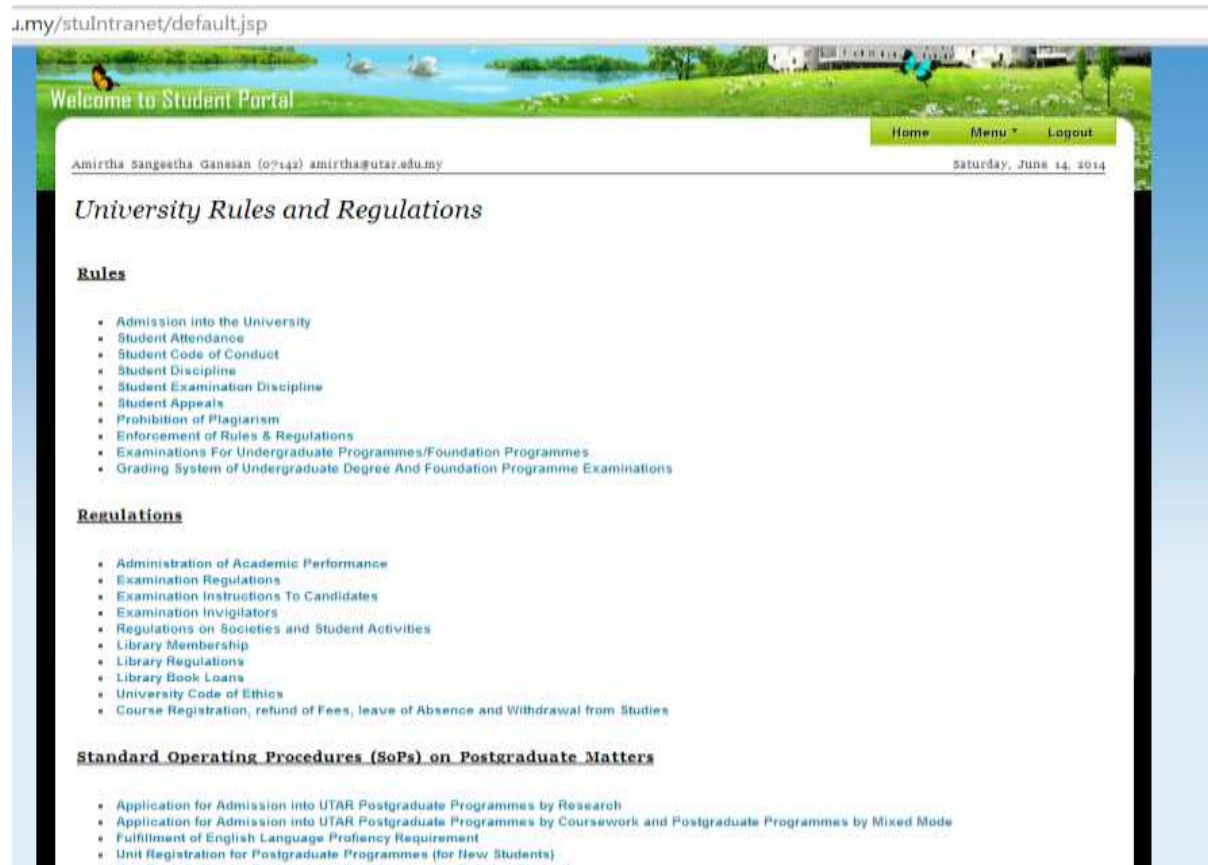

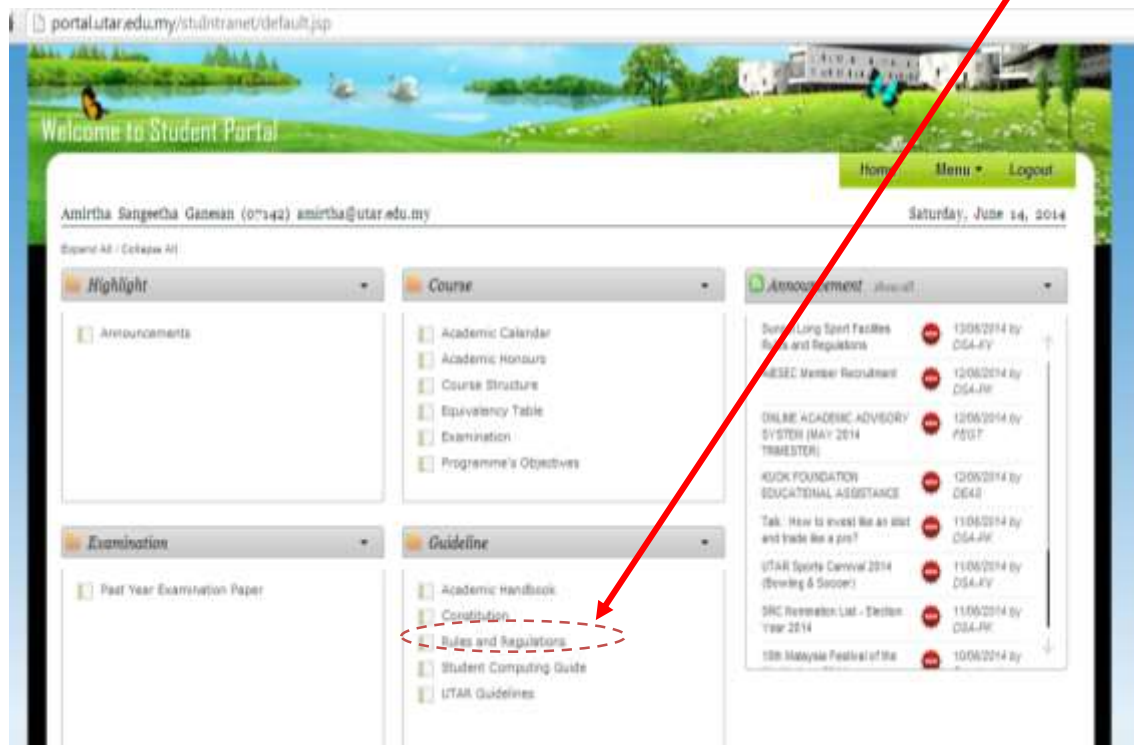

To view your course structure, click the Course tab then select Course Structure

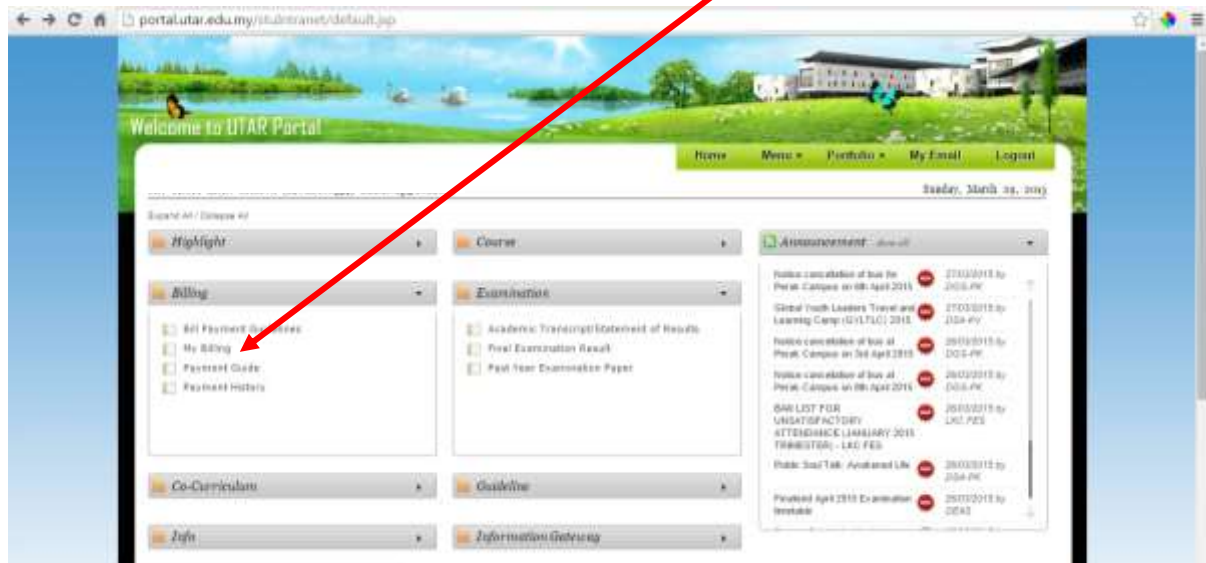

To view your trimester timetable for course you had registered select “Timetable” under the Course Tab.

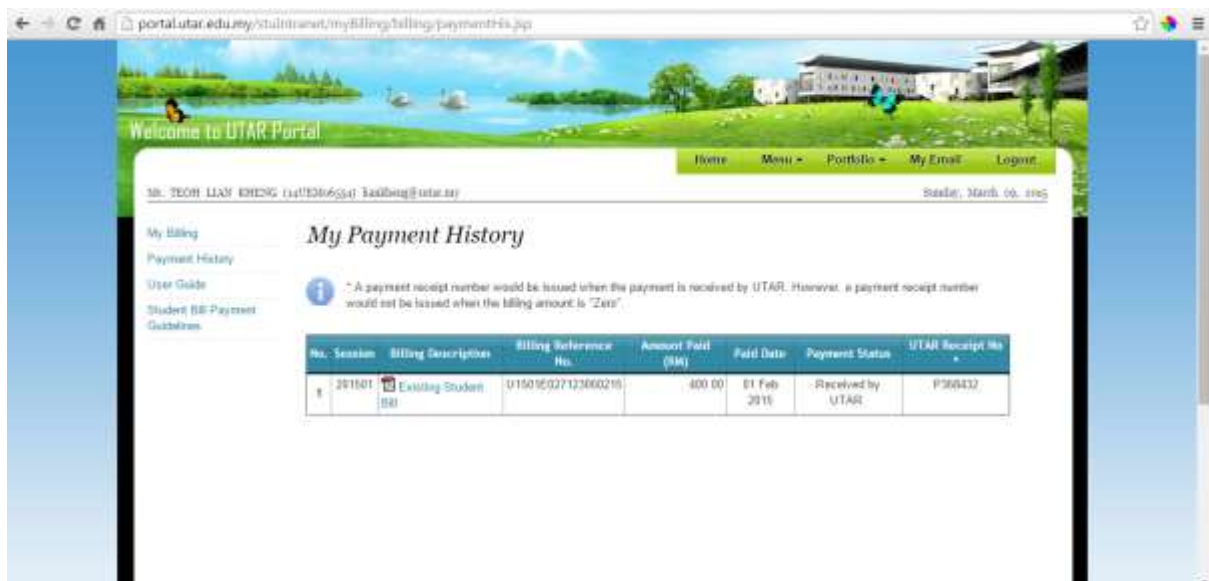

To view the SoP, Rule and Regulation, SoP click the Guidelines tab then select “Rule and Regulation.”

To view your student Bill, click the Billing tab then select “My Billing” to login key in your username and password

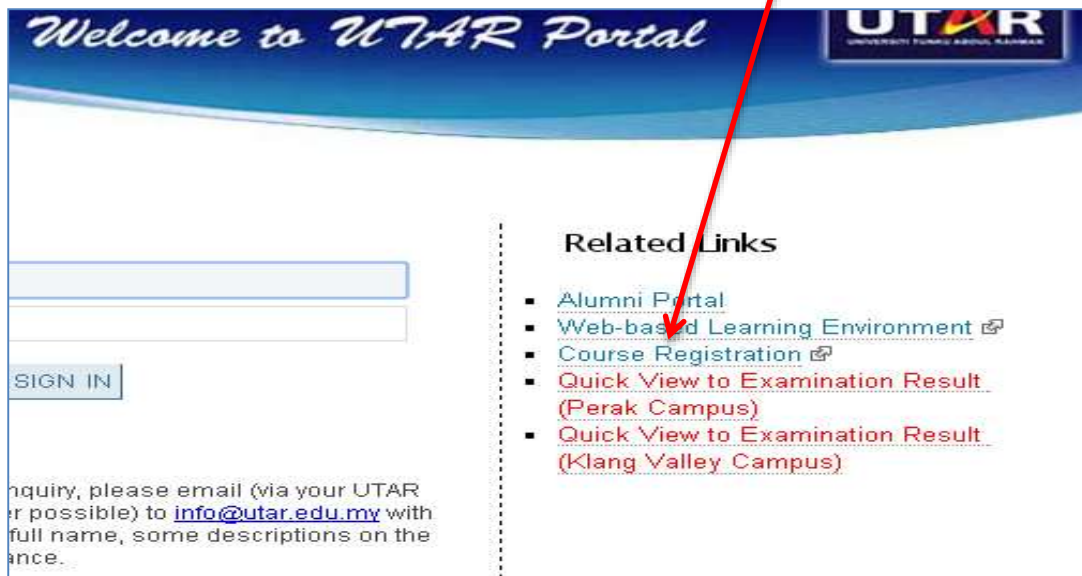

From My Billing screen you may view your current bill, Payment history and guide on how to make the payment

14.2 Course registration

From your student Portal login screen click “Course Registration”

The course registration screen will open in a new window, login using the same username and password as your UTAR portal login.

<https://unitreg.utar.edu.my/portal/courseRegStu/login.jsp>

Course Registration System

example:
ID: 1400031
pw: 881226-08-5430

You are required to complete the online Survey before proceeding to submit your progress report,

Click on the pop up that was block. Then select the 1st link to complete the survey

The screenshot shows the UTAR Research Portal interface with the progress report form. A pop-up message is displayed in the center, stating: "The following pop-ups were blocked on this page: http://portal.utar.edu.my/intranetLoginStds... http://portal.utar.edu.my/intranetLoginStdsSurvey.jsp?msg=07b...". Below the message are buttons for "Continue blocking pop-ups" and "Manage pop-up blocking...". A red arrow points from a text box labeled "Click on the pop up that was block. Then select the 1st link to complete the survey" to the "Continue blocking pop-ups" button. The progress report form is divided into two main sections: "A. DETAILS OF CANDIDATURE" and "B. DETAILS OF RESEARCH PROGRESS REPORT".

A. DETAILS OF CANDIDATURE	
Name	LEE WAI KONG
Student ID No	1207917
Faculty	FES
Intake Session	201210
Programme Pursued	EGA (DOCTOR OF PHILOSOPHY IN ENGINEERING (STRUCTURE A))
Structure	A
Email	
Date of Registration for Study	07/01/2012
Last Day of Candidature	06/01/2021

B. DETAILS OF RESEARCH PROGRESS REPORT	
Field of Research	Information Security
Research Title	Fast Implementation of Advanced Cryptographic Algorithms
Name of Main Supervisor	Dr. Goh Bok Min
Name of Co-Supervisor 1	-
Name of Co-Supervisor 2	-
Name of External Co-Supervisor 1	-
Name of External Co-Supervisor 2	-

REPORT

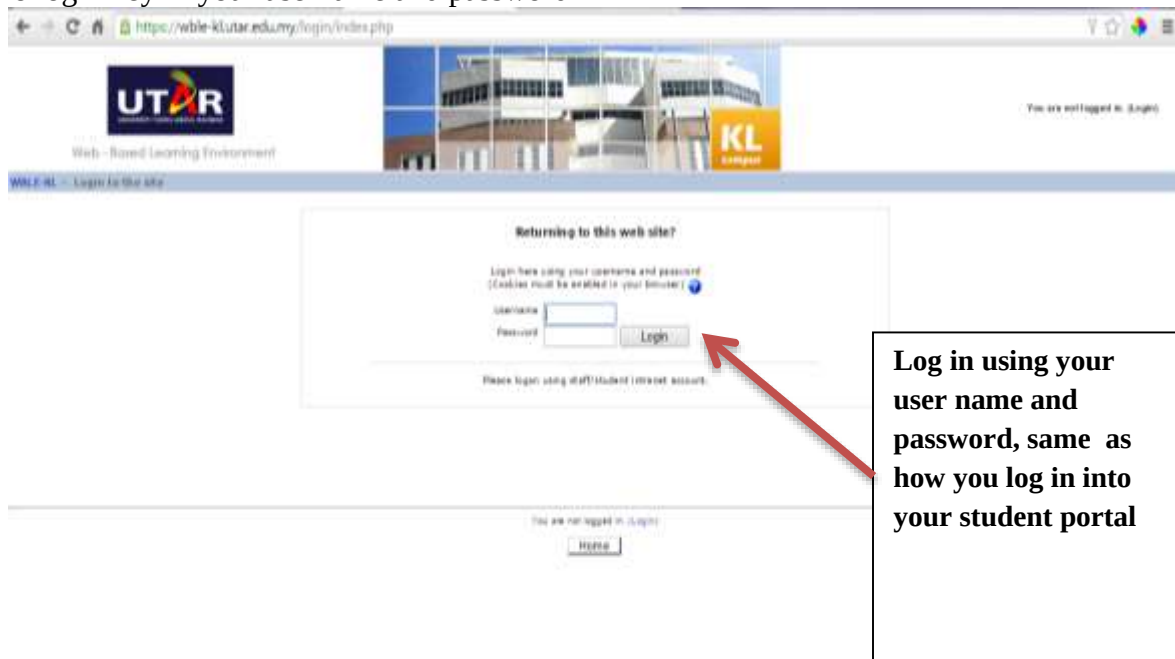

(i) Progress Report for the past 6 months (please provide a brief description)

Research work plan
(Background research of project, experimental design, data collection and analysis, thesis status, milestone etc.)
