

To: All Student & Academic Staff

Subject: [Undergraduate Programme] WBLE2, WBLE Preparation for 2026 October Trimester

Dear Student /Staff Member,

WBLE (Web Based Learning Environment)

- The **access** to WBLE **would not be available from 12 October 2026 (Monday)**, in preparation for 2026 October trimester.
- The WBLE service is expected to be resumed by **19 October 2026 (Monday)**.
- Further enquiry related to WBLE, please contact us at wble@utar.edu.my (for Sungai Long Campus) or wblekpr@utar.edu.my (for Kampar campus).

WBLE2 (Web Based Learning Environment 2)

- Further to Deans Meeting's decision, **WBLE2** had been setup at <https://sites.google.com/a/wble2.utar.edu.my/utar-elearning/> since previous trimesters with the first few batches of online learning subjects, to **serve as the extended e-Learning platform within UTAR**. Please utilise this extended e-Learning platform which had been made accessible to all UTARians as the compliment to the registration-based WBLE platform, while the ongoing content enrichments and platform development are being accelerated.

- **WBLE2** is also accessible via the existing WBLE website (wble.utar.edu.my), while the learning content webpage in WBLE2 can also be hyperlinked from the WBLE for students' ease of access purposes.
