In the future, if you do change your contact information please do not hesitate to contact Division of Admissions and Credit Evaluation via email admission@utar.edu.my for updating your latest information to the database.

Any request to change the students' data after the stipulated deadline will not be entertained except for the contact number, home and correspondence / temporary addresses, and renewed passport number.

Please be informed that the accuracy of your personal particulars as indicated in the online student data verification is important, as these particulars will serve as our permanent student record which will be used for all official University matters and documents, including your examination results, transcript and University Certificate.

Thank you.
